Sherpur, Bogura, Bangladesh

Summary

I am a skilled computer programmer and web developer with a strong passion for technology and continuous learning. I have experience in building and maintaining software applications and websites, with a focus on problem-solving, attention to detail, and adaptability to new technologies. I approach every task with dedication and strive to deliver high-quality results.

Skills

Programming Languages: JavaScript, TypeScript, Python, C/C++
Backend: NodeJS, Express, MongoDB, MySQL
Frontend: HTML, CSS, Tailwind CSS, Javascript, jQuery, React, NextJS
Tools: Git, GitHub, Postman, VS Code, Linux, Bash, NPM, Vite .etc

Experience

DealerHive Canada

<https://dealerhive.ca>

- Developed and launched a responsive, user-friendly website for a Canadian company.
- Built subscription and partnership modules with user and partner registration.
- Implemented interactive front-end features with React, NextJS and integrated NodeJs back-end for dynamic data management.

Projects

HB Auto

Next.js, Express

<https://hbauto.ca>

- Developed and scaled a web application using Next.js and Express.
- Built RESTful APIs and managed integrations for smooth, high-performance data flow.
- Connected backend logic with modern UI to deliver a responsive, production-ready experience.

BC Auto Offer

Bootstrap, JavaScript, jQuery, Express

<https://bcautooffer.ca>

- Developed a car-selling platform with dynamic brand, model, and trim selection.
- Designed and integrated a custom API enabling real-time vehicle data updates.
- Built a responsive, intuitive UI and supported senior product managers in planning and execution.

Achievements

- Champion — Take-Off Programming Contest (Summer 2019)
- 3rd Position — Take-Off Programming Contest (Spring 2019)
- 5th Position — Inter Section Programming Contest (2019)

Problem Solving

- HackerRank — Solved 200+ problems
- Beecrowd — Solved 150+ problems
- Codeforces — Solved 100+ problems
- Other Platforms — Solved 200+ problems

Education

- **BSc in Computer Science and Engineering**

Daffodil International University

01/2019 – 08/2023

CGPA: 3.44/4.00
